Appendices	4
Appendix A Some Appendix	4

I am citing lastname1 et al. (1999), see file: `fig/bib.bib`.

This is how you reference a figure: Figure 1.

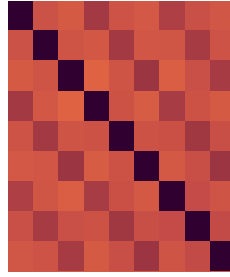

This is how you reference a subfigure: Figure 2(b).

This is how you reference a table: Table 1.

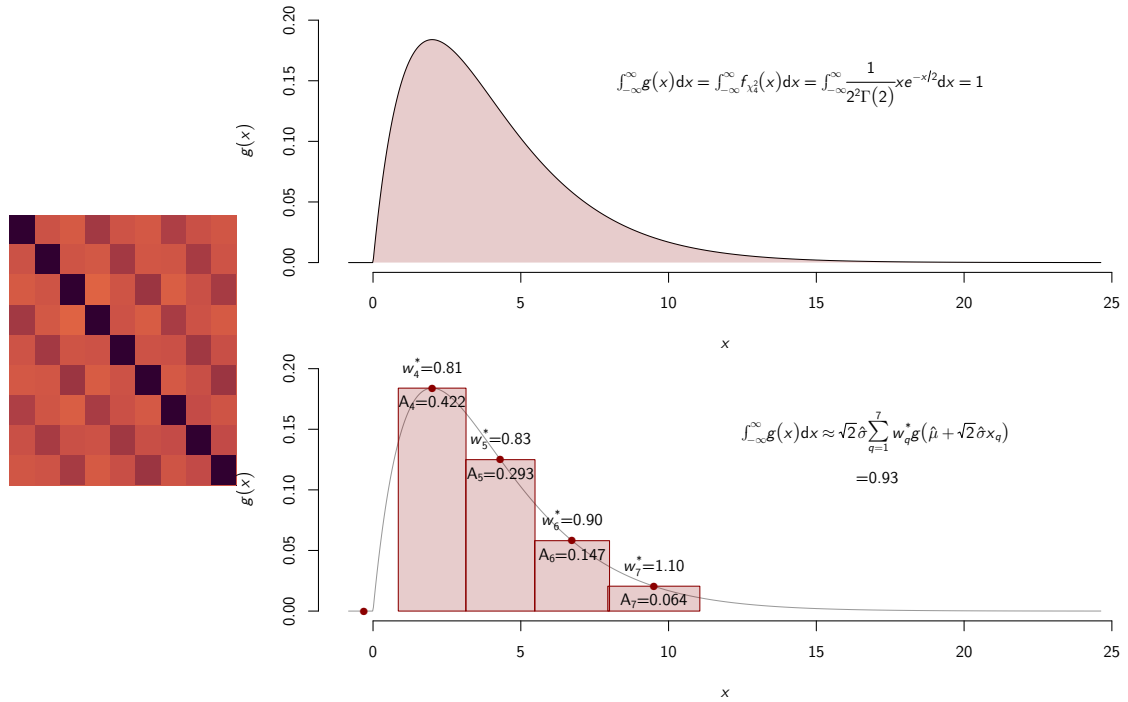

Now for a quote:

*Some quote.*

– some person

**Figure 1:** Figure. Words.

(a) Subcap1.

(b) Subcap2.

**Figure 2:** Bottom caption.

**Table 1:** Table. Words.

location	p.value
57	0.0013

**Table 2:** Table. Words.

location	p.value
57	0.0013
	0.16558

## Appendix A. Some Appendix

$$\sum_{i=1}^n i^2 = \frac{n(n+1)(2n+1)}{6}$$
